Lineal Confidente Lievore Altherr Molina

In the sign-language style used by the Lineal programme, with shapes reduced to the essential, but in this case paraphrasing a luxury article, the Lineal Guest Chair aims to create a stir

both in the contract field (for conference halls, etc.) and in offices and private homes. Made in plywood, upholstered in the fabrics featured in the Andreu World

catalogue, and available with or without arms, this guest chair answers the needs of situations in which comfort, elegant aesthetics and contained proportions are key.
