Zisa Lievore Altherr Molina

Zisa is proposed as the archetypal chair – the materialised concept of all chairs, the essence of the chair. Structural clarity, pared-down dimensions and a

restrained appearance. Particularly suitable for minimalist spaces, when you want to imbue them with a spirit of fusion and warmth. Made entirely

from beech and veneered board in oak, it has the option of the upholstered seat and chair-back in both the chair and armchair versions, with or without arms.
