Sit wood Lievore Altherr Molina

Best of NeoCon 2011
Gold Winner

The Sit collection has been extended with the addition of oak and beech chairs and armchairs to this ample collection of versatile, light and functional seating. The new

versions contribute the quality and provide the warmth offered by natural woods. These two options are available with feet and arm-bases and in all the neutral, light and dark

wood shades offered in our catalog, making them perfectly adaptable to contract spaces and large reunion areas, as well as providing a functional touch for the home.
