Smile Lievore, Altherr, Molina

Romantic, somewhere between the Orient and the Occident, Smile is a memory-lane chair that smiles at us from an imaginary space in between classic references. Made in wood, the Smile Collection is characterised by its lightness and structural sturdiness—suitable for both contract and home use. The collection comprises a stackable chair and armchair, both models with 2 back versions: slats or board. Available in the entire series of finishes featured in our catalogue.
